

Dear Eric,

Thank you so much for seeing me through in my goals and your support over the last six months. I feel much more calm, focused and confident entering my busy season this year and going after my goals. I just wanted to take a moment to thank you, and to share with you what I wrote about the experience to BCIT (attached).

Many thanks,
Carissa

I am so grateful for the mentorship opportunity. I am truly astounded by my mentor. He takes his role seriously & demonstrates professionalism & leadership. I feel he truly is invested in doing everything he can to see me through in my goals. He continually asks me to step back and keep my focus on the big picture, and this experience is invaluable as a entrepreneur starting out, overwhelmed in all that I want to accomplish and the day-to-day of doing. He is encouraging but in a way where he makes me step up and steer without providing easy answers - such is the way of running a business! What a great experience.
